A dramatic African savanna landscape. In the foreground, a lioness is shown from the chest up, her head tilted back and mouth open in a roar or call. Her fur is a rich brown. The background features a steep, rocky cliff on the left and a waterfall on the right, both partially shrouded in mist. The sky is a warm, golden-yellow color, suggesting a sunrise or sunset. The overall mood is majestic and powerful.

SOUTH AFRICA

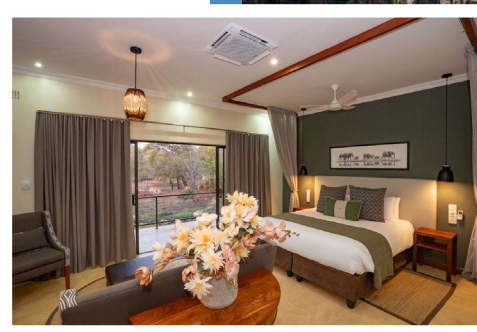

We land in South Africa Monday evening, to either Johannesburg or Cape Town – both options will be available as per your flight preferences. After a quick transfer to our hotel to freshen up after a long flight, we'll head to one of South Africa's famous restaurants for dinner.

VICTORIA FALLS

After Shachris and breakfast we'll head to the airport for the short flight to Victoria Falls, Zimbabwe. We check into our exclusive lodge and spa, where we'll stay for the duration of the trip.

Once settled, it's time to visit one of the seven wonders of the world – Victoria Falls. We'll enjoy the incredible sight of the world's biggest waterfall from multiple vantage points, and watch the sun set over the river before heading back to the lodge for a sumptuous welcome dinner.

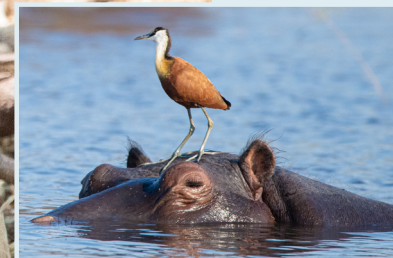

ON SAFARI

Get ready for an incredible safari experience with two full-day safari day trips to Botswana's famed Chobe National Park! Chobe is world-renowned for its large lion, elephant, and hippo populations – in addition to countless cheetah, giraffe, Nile crocodile, and other African game.

We'll explore this wondrous place for two days both by land and water. We'll start our mornings with a classic land safari in an open jeep, getting up close and personal to Africa's most enchanting animals – lions stalking prey, giraffes striding across the open plains, monkeys screaming overhead, and so much more.

After a few hours we'll break for lunch, and transfer to boats and head out on the river. Here you can get to within feet of bathing elephants towering over you, negotiate your way past dozens of hippos, and watch crocodiles sunning themselves.

Chobe is also home to nearly 500 different species of birds of all shapes and colors – if you're not a bird lover when you get here, you will be when you leave!

EXPLORING ZAMBIA AND ZIMBABWE

Begin your Friday with your choice of exciting tour or activity.

Choose to swim at the very edge of Victoria Falls at the world-famous Devil's Pool, interact with and feed gigantic elephants at an elephant sanctuary, go on a walking safari with critically-endangered white rhinos in Zambia's Mosi-oa-Tunya National Park, or visit a village and see how the local tribes live.

We'll also take some time to explore the surprising and

fascinating history of Zambia's Jewish community, and enjoy the hustle and bustle of local markets.

After a busy week, it is now time for some serious rest and relaxation over Shabbos. Linger over davening and decadent meals, enjoy the grounds, and watch for wildlife at our lodge's waterhole.

Sunday morning gives us another opportunity for an adventure in Zambia, before heading back to the airport for our flights home.

OPTIONAL CAPE TOWN EXTENSION

If you've come all the way to Africa, why not spend a few more days here? Our optional Cape Town extension will show you yet another side of Africa – one of soaring mountains, stunning beaches, and even penguins.

You'll spend two additional days in Cape Town, often called the most beautiful city on earth. We'll set you up with a private guide and driver and explore all the Cape Peninsula has to offer. You can take a cable car to the top of Table Mountain, a funicular up Cape Point, see the penguin colony at Boulders Beach, go shopping at Camps Bay, and so much more. We'll work with you to craft your perfect itinerary.

Should you choose to add the extension before the trip instead, or make it longer or shorter, let us know. We will be happy to arrange it.

CULINARY EXPERIENCE

Prepare to be wowed by the Weiss Brothers! We will have a fully-kosher kitchen in our lodge in Zimbabwe with a mashgiach temidi, where the Weisses will be preparing everything fresh on-site for a spectacular gastronomic experience.
